What is the APDA Optimism Walk?

Join us for a fun-filled fundraising event that offers a short non-competitive walk and other family-friendly activities.

Each Optimism Walk is part of a nationwide movement to mobilize and inspire people to step up and help put an end to Parkinson's disease. Be a part of it!

Why Walk?

Because every nine minutes someone is diagnosed with Parkinson's disease.

The more funds we raise, the more people we can help.

Funds raised enable the APDA to continue providing local support and education to those touched by Parkinson's disease right in your own communities, and also fund scientific research into the causes, prevention, treatments and ultimately a cure.

About APDA

Every day we provide the support, education, and research that will help everyone impacted by Parkinson's disease live life to the fullest. APDA is the largest grassroots network serving people with Parkinson's disease and their families.

The American Parkinson Disease Association is a 501(c)(3) organization.
