

2018 San Diego Out of the Darkness Walk Dedication Sign Order Form

Saturday, October 27th • 8:00AM - 12:00PM • Liberty Station NTC Park – San Diego, CA

Dedicate a sign in memory of a loved one lost to suicide... These signs will be placed along the walk route as a memorial to those we have lost and as a reminder of why we fight to bring the issue of suicide *out of the darkness* and help those who may still be struggling.

For a \$50 donation, a sign will be created in memory of your loved one and personalized with a message or quote. After the Walk is finished, you are welcome to take your sign home. If you are interested, return this order form and payment by **October 12th**.
