Chatham Township Out of the Darkness Experience November 1, 2020

Dear Friend and Community Leader,

You can be an everyday hero in the fight against suicide.

Partner with us as a sponsor for the *2020 Chatham Township Out of the Darkness Experience*. We will be hosting a statewide virtual event on Sunday, November 1 where walkers from all 15 New Jersey Out of the Darkness Experiences will come together for a day of hope, support, and resiliency.

Why support the Chatham Township Out of the Darkness Walk Experience?

Suicide is a leading cause of death – and it is often preventable. With your support, we'll be one step closer to achieving our bold goal of reducing the suicide rate 20% by 2025.

Build your brand's goodwill by supporting a cause everyone can get behind.

Our walkers are passionate supporters of the cause, with 78% of online registrants indicating a personal investment in suicide prevention. And goodwill goes a long way: 91% of global consumers are likely to switch brands to one associated with a good cause, given comparable price and quality. Not only are consumers making purchase decisions with purpose top of mind, they are also buying and advocating for purposeful brands. 72% of consumers would recommend a brand that supports a good cause over one that doesn't.

The American Foundation for Suicide Prevention leads the fight against suicide.

Funds raised allow us to fund research, create educational programs, advocate for public policy, and support survivors of suicide loss. Our chapter is committed to spending these funds locally. With your support we will be able to host educational programs and provide support to survivors of suicide loss right here in Morris County.

This year your support will be more crucial than ever. The work of suicide prevention is even more critical in the light of the COVID-19 Pandemic. Many people are struggling with their mental health due to anxiety and depression triggered by some aspect of the pandemic -- illness of self or loved ones, financial worries, job loss, etc. Your support of AFSP will save lives as we continue to bring hope, research, and raise awareness and support for those with lived experience and those who have suffered a suicide loss.

While things are changing day by day, we are moving forward to create a virtual walk day experience for our walkers and supporters that will be full of hope, support and resiliency building. This year our sponsors will be recognized throughout the state through our 15 experiences that will come together for one virtual event on November 1st.

We look forward to discussing our 2020 sponsorship opportunities and benefits with you in more detail. Thank you in advance to those who are able to help and who do so.

Sincerely,

Elizabeth Clemens
