The Walk is still happening, just in a new and creative way! While we may not be able to gather all together this year, participants and their teams will be safely walking throughout neighborhoods and parks all across our community on the same day, at the same time in honor of the person(s) for whom they walk and in commemoration of the 2020 Washington, D.C. Out of the Darkness Experience. This is an opportunity to bring our messages of hope and awareness to the places we call home, so carry your Honor and Remembrance Signs, wear your OOTD walk t-shirts and beads with pride, and share your experiences on social media using our hashtag #StopSuicideNCAC!

**OPENING CEREMONY** will begin online at 4:00 PM. Join us from your computer or phone while you walk as we remember the impact of suicide during the annual Honor Beads Ceremony, share stories of hope and healing, and take time to recognize all of our wonderful top participants, teams, and sponsors furthering our mission to save lives and bring hope to those affected by suicide.

**LIVESTREAM PROGRAM** will kick off just after the Opening Ceremony. We will be checking in LIVE with participants and teams across the area as we walk #TogetherToFightSuicide

**LUMINARIA DISPLAY** will bring our experience to a close as we stream footage of our 2020 participants’ luminaria on the steps of the Lincoln Memorial in memory of those we have lost to suicide and in honor of those who struggle. Visit our “Hope & Healing” section on afsp.org/DC to learn more.

Share your fundraising link on social media with a picture or video and why you support OOTD using the hashtag #StopSuicideNCAC. Make your post public and we will highlight stories on our page. And please be sure to follow us on social media: @AFSP.NCAC on Facebook and @AFSP_NCAC on Instagram and Twitter.
