## **OUT OF THE DARKNESS CHICAGOLAND EXPERIENCE FAQ**

➤ **Why isn't the scheduled walk happening?**

After much discussion and consideration we felt it is best to not have the walk due to health and safety concerns. With that said, we still encourage you to walk in your community – you choose the route, time, distance, and your walking buddies! Please be sure to follow local COVID-19 guidelines.

➤ **Can I still walk on my own, with friends, with my team, etc.?**

Absolutely! While we can't gather to walk together this year, we encourage you and your team members to get together and walk during the event weekend on your terms: you get to choose your own course, what time you start, and who walks next to you (be sure to follow local COVID-19 guidelines)!

➤ **I walked and have photos that I would like to share – where do I send them?**

Wonderful! Please email them to [chicago@afsp.org](mailto:chicago@afsp.org) as soon as you can!

➤ **What do you mean by a virtual event? What does the event weekend look like?**
