Dear Friend and Community Leader,

You can be an everyday hero in the fight against suicide.

Partner with us as an event sponsor for the Harrisburg Out of the Darkness Walk taking place on October 9, 2021. While the world is different, our mission to **Save Lives and Bring Hope to Those Affected by Suicide** has not changed.

Though there are many unknowns, there are a few things we know for sure:

- We are a strong and resilient community, united in our effort to fight suicide, raise awareness, educate our communities, support those who have lost loved ones, and support those with lived experience.
- We remain dedicated to providing communities throughout Pennsylvania with opportunities to connect, heal, share stories, create impact, and show those who struggle that they are not alone.
- Mental health and suicide prevention are more important than ever, and we're confident that with your help we can reach more people than ever before.

Why support the Out of the Darkness Walk and AFSP?

Our community has always been the heart of the Out of the Darkness Walks. We realize that nothing can substitute the experience of coming together in person, and we will continue to seek ways in which can do that safely. Until that time comes, we will use our voices and share our stories virtually to provide hope. Sponsor the 2021 Harrisburg Out of the Darkness Walk and show our community that you're a voice for suicide prevention.

Build your brand's goodwill by supporting a cause everyone can get behind.

Our walkers are passionate supporters of the cause, with 78% of online registrants indicating a personal investment in suicide prevention. And goodwill goes a long way: 91% of global consumers are likely to switch brands to one associated with a good cause, given comparable price and quality.

Not only are consumers making purchase decisions with purpose top of mind, but they are also buying and advocating for purposeful brands. 72% of consumers would recommend a brand that supports a good cause over one that doesn't. Sponsor the 2021 Harrisburg Walk and show our community that you're a voice for suicide prevention.

The American Foundation for Suicide Prevention (AFSP) leads the fight against suicide.

Funds raised from the Out of the Darkness Walk will allow us to fund research, create educational programs, advocate for public policy, and support survivors of suicide loss.

We look forward to discussing our 2021 sponsorship opportunities and benefits with you in more detail.

Your Support at Work

The American Foundation for Suicide Prevention is a voluntary health organization that gives those affected by suicide a nationwide community empowered by research, education, and advocacy to take action against this leading cause of death. Our mission is to **save lives and bring hope to those affected by suicide**. With chapters in all 50 states, AFSP leads the charge in:

Support

Providing support through initiatives like the Survivor Outreach Program, which connects trained loss survivors with people whose grief is recent, and events across the country for International Survivors of Suicide Loss Day. The Interactive Screening Program, available for schools, workplaces, and other organizations, provides an anonymous way to engage with counselors, for those least likely to seek help.

Education

Delivering evidence-based suicide prevention programs to schools, communities and workplaces, showing people how to recognize signs of distress and connect those suffering with help. Our Talk Saves Lives™ program has helped over 60,000 people since 2016. More Than Sad has taught over a million students and educators how to be smart about mental health.

Research

Discovering better ways to prevent suicide through research. Findings from our studies have shaped prevention efforts around the world. Since 1987, the organization has funded more than 552 research grants totaling more than \$34 million.

Advocacy

Pushing for key federal and state legislation, such as mandatory suicide prevention training for clinicians and educators, and funding for mental health resources, with the help of over 20,000 volunteer advocates across the country.

In order to fulfill our mission, AFSP **invests in prevention at multiple levels to make a long-term impact.**

- AFSP is a national, statewide, and local organization recognizing that change must happen at the **individual, community, and societal levels** in order to fight suicide.
- AFSP's work is **driven by science** and supports **evidence-based change** across all contexts.
- By supporting AFSP, you are supporting a grassroots organization dedicated to **saving lives and bringing hope to those affected by suicide in your community, in your state, and across the country.**
