Dear Friend and Community Leader,

You can be an everyday hero in the fight against suicide.

Partner with us as an event sponsor for the Out of The Darkness Walk taking place on October 3rd. Together we can save lives and bring hope to those affected by suicide.

Though there are many unknowns, there are a few things we know for sure:

- We are a strong and resilient community, united in our effort to fight suicide, raise awareness, educate our communities, support those who have lost loved ones, and support those with lived experience.
- We remain dedicated to providing communities throughout Tennessee with opportunities to connect, heal, share stories, create impact, and show those who struggle that they are not alone.
- Mental health and suicide prevention are more important than ever, and we're confident that with your help we can reach more people than ever before.

Why support the Out of the Darkness Walk?

Our community has always been the heart of the Out of the Darkness Walks. Together, we will use our voices and share our stories to provide hope. Sponsor the 2021 Chattanooga Out of the Darkness Walk and show our community that you're a voice for suicide prevention.

The American Foundation for Suicide Prevention (AFSP) leads the fight against suicide.

Funds raised from the Out of the Darkness Walk will allow us to fund research, create educational programs, advocate for public policy, and support survivors of suicide loss.

I look forward to discussing our 2021 sponsorship opportunities and benefits with you in more detail.
