WHY WE'RE COMMITTED TO CMN

As a not-for-profit credit union, we were founded on the belief that everyone deserves opportunities for a better life. We are invested in people who are making our communities stronger and healthier, because in the end, we all benefit. We are Banking on a Difference.

Our past support of Children's Miracle Network has been through both sponsorships and employee fundraising efforts. **This year, we wanted to do more.** We are reaching out to our friends in the business community to join us in continuing to "make miracles happen." Proceeds will go directly to the five Children's Miracle Network hospitals in Pennsylvania to help with providing exceptional care for children facing serious medical difficulties. Your sponsorship dollars will be tax deductible (less golfer fees). **Please join us in supporting this cause with your sponsorship.**

PUT YOUR MONEY WHERE THE MIRACLES ARE

More than 10 million kids enter a children's hospital across North America every year. To provide the best care for kids, children's hospitals rely on donations and community support, as Medicaid and insurance programs do not fully cover the cost of care. Since 1983, Children's Miracle Network Hospitals has helped fill those funding gaps by raising more than \$5 billion. Its various fundraising partners and programs support the nonprofit's mission to save and improve the lives of as many children as possible.
