FUN-draiser Ideas

Start by setting up a fundraising page on cmnhershey.org/chw19 . Then pick your fundraiser and watch the donations roll in!

- *Jail the Boss*
  - Charge employees a certain amount of money to keep the boss "in jail" (or out of the office) for a specific amount of time. For example, $5 buys five minutes of "jail time," while higher donations mean more time.
- *Boss for a Day*
  - The top fundraiser earns "boss for the day" duties, while the boss takes over a few of the employee's tasks in exchange.
- *Parking Spot Fundraiser*
  - Offer a reserved parking spot as an incentive for your employees and colleagues to raise money for CMN! Start a team and offer a month (or even a full quarter) of reserved parking for the top fundraiser.
- *Rent an Assistant for a Day*
  - Everyone could use an assistant from time to time. Set up a fundraising page for each participating "assistant." Allow employees to make donations to the page of the "assistant" of their choice in pre-set amounts to rent that employee's time — $25 for 30 minutes, $50 for an hour, $100 for a full day. This is a great way to boost productivity *and* raise money for a good cause!
- *Dress Down Day*
  - Encourage employees to donate a certain amount to CMN for a day to dress casually.
- *Bake Sale*
- *Car Wash*
  - Ask department heads to wash employees' cars in the parking lot for a donation.
- *Penny Wars*
  - This can be contests between departments or teams encouraging employees to donate change. The winning team can earn a dress down day, team lunch etc.
- *Host a 5K Race*
  - Involve employees and their families in a fun run for the kids.
- *Extra Life, Gaming for the Kids*
  - Extra Life unites thousands of players around the world to host fundraising and gaming marathons in support of Children's Miracle Network at Penn State Children's Hospital.
    1. Sign Up on Extra-life.org
