

Family Game Night Fundraiser

Launch your family game night fundraiser! This is an easy fundraiser that can be done from home. Requires a CMNHershey.org fundraising page and a friendly, competitive spirit!

Sign Up

- Each associate who would like to participate sets up fundraising page under your store team.
- Visit [Walmart and Sam's Club 2020 Campaign page](#)
 - Select "Register Now"
 - Sign up!
 - Select your store and join the team.

Share

- Each participant sends their fundraising page link to family and friends asking them to give in honor of their game day.
 - For example \$5 for every day you play or \$1 for every hour of play!
- Each associate will select one day or several days during your "gaming week" to play games.

Play

- Your game night can include your favorite card, board or video games, and backyard games like tag or corn hole! Playing games online together is a great way to stay connected. Many game titles have an online version. Check out Board Game Arena for various board games for web based games. Steam, a digital gaming platform where you can buy and play games, is another option.

(Associates can even [live stream](#) their fundraiser to their fundraising page.)

Gather with those in your home, invite loved ones in digital from afar, and commit to raise funds for CMN Hershey
