

# I CAN'T WAIT

TO GO TO A  
HOCKEY GAME.

## Children's Miracle Network Telethon

# June 7 - 10

Like you, kids like Joella can't wait for COVID-19 restrictions to ease so we can return to doing things we love. But we also know that #KidsCantWait for things to be normal. Kids like Joella need our hospital now for heart check-ups, therapy, surgery and more. Please support our annual Telethon (moving back to June) to fund essential equipment and programs for kids and families in our community. Together, we can give kids the #GiftofGrowingUp!

**Telethon segments will air throughout the week followed by a finale special on Thursday, June 10, 2021 at 7 p.m.**
