62 children enter a Children's Miracle Network Hospital for treatment every minute. Whether they suffer from common childhood afflictions like asthma and broken bones, or fight bigger challenges like birth defects or cancer, Children's Miracle Network Hospitals provide comfort, treatment and hope to millions of sick kids. In fact, Children's Miracle Network Hospitals treat one in 10 children in North America each year.

After a tragic auto accident in the Outer Banks, NC, on June 13, 2006, claimed the life of their son, Drew Michael Taylor; Randy and Marcie Taylor decided to create a foundation in his name. Through the Drew Michael Taylor Foundation, they are honoring Drew's memory by making a positive difference in the lives of grieving children, teens and adults.

### Anthony James Friscia

#### Tony's Story

When our grandson, Tony was 6 months old his family was in a terrible car accident. Tony was flown, by Life Lion, to Penn State Hershey Medical Center where he was treated for head injuries in the PICU with equipment bought by Children's Miracle Network Hershey. After brain surgery, 3 days and countless prayers Tony was pronounced brain dead. Although Tony's story didn't end the way his family hoped, they are thankful to CMN Hershey and know that if anyone could have saved him it would have been the wonderful doctors and nurses in Hershey.

Tony's Team Tournament is a 4-person  
scramble.

The outing is open to  
men's/women's/mixed foursomes

Field is limited to the first 120 golfers.
