Out of the Darkness™ Bloomington Walk: Sponsorship Opportunities

2023 Bloomington Out of the Darkness Walk

Dear Friend and Community Leader,

You can be an everyday hero in the fight against suicide.

Partner with us as an event sponsor for the Bloomington Out of the Darkness Walk taking place on *Sunday, October 22, 2023*. Our mission to **Save Lives and Bring Hope to Those Affected by Suicide** would not be possible without the community engagement. Today, support for mental health is needed more than ever and we are asking you to join us in the movement to prevent suicide. With your help, the Indiana Chapter will be able to maximize our mission impact by reaching and serving more people through our lifesaving programs and resources.

Why support the Out of the Darkness Walk and AFSP Indiana?

Our community has always been the heart of the Out of the Darkness Walks. We will use our voices and share our stories to provide hope. Sponsor the 2023 Bloomington Out of the Darkness Walk and show our community that you're a voice for suicide prevention.

Suicide is the 12th leading cause of death in the Unites States, and the suicide rate continues to rise. Promising news is that a 2022 Harris Poll revealed that 75% of adults in the U.S. believe it is more important than ever to make suicide prevention a national priority. Your support will help bring our work to our local communities, while showing your customers and employees that you care about mental health and preventing suicide. YOU can help us create a culture that is smart about mental health.

Build your brand's goodwill by supporting a cause everyone can get behind.

Our walkers are passionate supporters of the cause, with 78% of online registrants indicating a personal investment in suicide prevention. Goodwill goes a long way: 91% of global consumers are likely to switch brands to one associated with a good cause, given comparable price and quality.

Not only are consumers making purchase decisions with purpose top of mind, they are also buying and advocating for purposeful brands. 72% of consumers would recommend a brand that supports a good cause over one that doesn't. Sponsor the 2023 Bloomington Walk and show our community that you're a voice for suicide prevention.

Companies and organizations are also encouraged to make a walk team for the 2023 Bloomington Out of the Darkness Walk. You can learn more about the event and make a walk team for free at afsp.org/bloomington.

The American Foundation for Suicide Prevention (AFSP) leads the fight against suicide.

Funds raised from the Out of the Darkness Walk will allow us to fund research, create educational programs, advocate for public policy, and support survivors of suicide loss.

Thank you for your consideration. We look forward to partnering with you to save lives!

Your Support at Work

The American Foundation for Suicide Prevention is a voluntary health organization that gives those affected by suicide a nationwide community empowered by research, education, and advocacy to take action against this leading cause of death. Our mission is to **save lives and bring hope to those affected by suicide**. With chapters in all 50 states, AFSP leads the charge in:

Support

Providing support through initiatives like the Survivor Outreach Program, which connects trained loss survivors with people whose grief is recent, and events across the country for International Survivors of Suicide Loss Day. The Interactive Screening Program, available for schools, workplaces, and other organizations, provides an anonymous way to engage with counselors, for those least likely to seek help.

Education

Delivering evidence-based suicide prevention programs to schools, communities and workplaces, showing people how to recognize signs of distress and connect those suffering with help. Our Talk Saves LivesTM program has helped over 60,000 people since 2016. More Than Sad has taught over a million students and educators how to be smart about mental health.

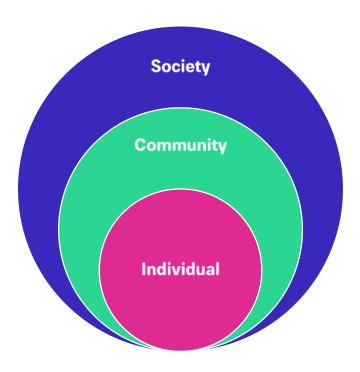

Research

Discovering better ways to prevent suicide through research. Findings from our studies have shaped prevention efforts around the world. Since 1987, the organization has funded more than 552 research grants totaling more than \$34 million.

Advocacy

Pushing for key federal and state legislation, such as mandatory suicide prevention training for clinicians and educators, and funding for mental health resources, with the help of over 20,000 volunteer advocates across the country.

In order to fulfill our mission, AFSP **invests in prevention at multiple levels to make a long-term impact**.

- AFSP is a national, statewide, and local organization recognizing that change must happen at the individual, community, and societal levels in order to fight suicide.
- AFSP's work is driven by science and supports evidence-based change across all contexts.
- By supporting AFSP, you are supporting a grassroots organization dedicated to saving lives and bringing hope to those affected by suicide in your community, in your state, and across the country.
