Eligibility screening survey link.

https://www.walgreens.com/findcare/covid19/testing?ban=covid_testing

How it works:

- 1. Complete the screening questionnaire.*
- 2. If you're eligible for testing, a lab order request will be sent on your behalf and you'll receive an email with next steps.*
- 3. You'll go to the testing location and follow instructions to remain in your vehicle with the window rolled up.*
- 4. You will perform the test using a nasal swab. A Walgreens pharmacist will be there to instruct you.*
- 5. Your test results and contact information will be sent to PWNHealth.*
- 6. You'll receive your results from PWNHealth within 24 hours.*

The locations of the two new testing sites are below at this time.*

*14531 Westheimer Road
Houston, TX 77082*

*101 W Southmore Ave
Pasadena, TX 77502*

**Dates, sites and testing availability can change depending on various factors such as, but not limited to, weather and capacity limits.*
