

★ Sample Social Media Posts

Helpful Hints:

- Post for yourself, *or on behalf of someone else!** Spread the word!
- Twitter messages must not exceed 280 characters.
- Posts that include photos/images get more attention.
- Encourage interaction. Ask questions in your posts. Don't always be talking *AT* your audience.
- Be sure to thank donors via social media as donations come in. It's a nice way to acknowledge the donor, but also remind others who haven't donated yet.

Simply customize the **highlighted** sections with your event details/personal info and then cut and paste into your social media outlets!

Be sure to include a great photo with your posts!
