

FROM THE FRONT LINES

A monthly update from Care for the Homeless

Annual Winter Drive

Our Winter Drive got off to an early start on November 17th when the Knitting Club of the Stein Senior Center in Manhattan donated over 50 beautiful, hand-knit hats to Care for the Homeless. Their project, appropriately named "Hats for Hope" provided the same quantity of hats to two other organizations that provide services for homeless individuals.

We extend our *warmest* thanks to the busy knitters for providing the gift of hope to the future recipients of their thoughtful handiwork.

If you'd like to give a little warmth to homeless persons, please join our Winter Drive for hats, gloves, scarves and socks, for distribution to homeless children, men and women.
