

CARE FOR THE HOMELESS

SERVING NEW YORK CITY

CARE FOR THE HOMELESS IS NOW IN 30+ LOCATIONS IN BROOKLYN, THE BRONX, MANHATTAN AND QUEENS.

OUR MISSION

Care for the Homeless fights homelessness by delivering high-quality and client-centered healthcare, human services and shelter to homeless individuals and families, and by advocating for policies to ameliorate, prevent and end homelessness.

OUR PARTNERS

We meet homeless people where they are. Clinics are co-located in homeless shelters, soup kitchens, SROs and drop-in centers, collaborating with nonprofit partners city-wide.

CORE SERVICES

WOMEN'S SHELTER

SUSAN'S PLACE

Our 200-bed shelter for homeless women, Susan's Place, is a one-stop shop for clients to get all of the help they need for a stable future.

PRIMARY CARE

All clinics offer primary care and case management by a medical team, including physicals, vaccinations, management of chronic diseases, referrals to specialty care such as podiatry and dental, counseling and non-emergency issues.

DENTAL CARE

Dental care is one of the biggest unmet needs for homeless New Yorkers. Our Dental Program treats the serious impact of poor oral hygiene and trauma.

PEDIATRICS

Homeless children are sick four times more often than those who are housed. We help keep kids healthy and in school.

HEALTH EDUCATION

Thousands of patients receive support through education and counseling on heart health, cancer screening, diabetes, HIV Awareness, smoking cessation, health insurance enrollment, and more.

MENTAL HEALTH & SUBSTANCE ABUSE

CFH's team of mental health professionals and substance abuse counselors provide holistic care and wellness programming with the goal of empowering the client through evaluations, therapy, treatment and group sessions.

MOBILE

The Mobile Health Clinic provides primary care and other health services to street homeless persons and to facilities where an on-site clinic is not available.
