- 6 Once the transaction is complete a Thank You pop-up box will appear. Please select **Customize Your Page**.

Thank You!

- 7 Use the provided text or customize it to make it most relevant to your community. You may also want to include other languages spoken in your community. Select **Save and Continue** then **Save Custom Link**.

The image shows two screenshots from a web application. The first screenshot, titled "Tell your story!", shows a form with a text editor. The text in the editor reads: "Community Giving During Lent Changes Lives | Ofrendas Comunitarias de Cuaresma que Cambian Vidas", "CRS Rice Bowl invites you to build a more just and fraternal world with my {NAME} community because I believe we make the most impact when we take action together.", "Plato de Arroz de CRS te invita a construir un mundo más justo y fraterno junto a tu comunidad pues nuestro impacto es mayor cuando nos unimos y luchamos juntos.", and "Bringing together your Lenten alms as a community this Lent can help end global hunger and malnutrition. Community giving helps support families in more than 100 countries get access to enough nutritious food not only to survive, but to thrive. Whether in-person, online or in spirit — we can come". A "SAVE AND CONTINUE" button is circled in orange. The second screenshot, titled "You're almost done!", shows a confirmation screen with a text input field containing "Mae-Richardson" and a URL "https://crs.donordrive.com/participant/Mae-Richardson". A "SAVE CUSTOM LINK" button is circled in orange, and a "Skip this step" link is also circled in orange.

- 8 Close the next pop-up box. We need to access your team page, which is where you will invite others in your community to join you! This is done by selecting the team icon with your community name as a link.

The image shows a user profile for "Mae Richardson". The profile includes a profile picture of a young girl, the name "Mae Richardson", and a "Team Captain" role. The team name "St. Cunegunda Parish, Detroit" is circled in orange. Below the team name is a "CRS Rice Bowl - proposed" tag and a "SUPPORT ME" button.

- 9 Select the **pencil icon** to customize your page with a picture that represents your community (**orange**). You may also edit your community name (**purple**). Select settings on the tab (**green**) to get your team link. Note that you can also select **customize** (**teal**) so your team link ends with your community name instead of a random ID #. Select **Save Changes** and then select settings again to copy (**peach**) and share your team link!
