Did you know that we are the largest Buddy Walk in the nation? We have more participants that come out and celebrate our loved ones with Down syndrome than any other city. Amazing stuff!

In an effort to spread the love and (some of the congestion), we will be adding a **Pre-Party** to our walk festivities. So come out to Yeatman's Cove starting at 9:00 on the 8<sup>th</sup> and bounce in a bouncy, visit our Vendor Village, get your face painted and enjoy some of the surrounding entertainment, not to mention the awesome riverfront views! We'll have additional balloon colors for you to meet up with your team!  
(Yellow, Red and Purple clusters)

**"If I meet up with my team in Yeatman's, how am I going to get to the Walk Start on the Promenade by 10?"**  
Great question!

We want to make sure the morning is as enjoyable as possible for you and your team, therefore you can hop on the walk route whenever you want. You do not have to be at the start of the walk to enjoy all the morning has to offer. You'll hear the St. X Drumline making its way out to Yeatman's and you can gather your team to mix in the walk crowds when the time is right for you. It's all up to you. **Walk YOUR way!**

Once on the walk route you can make your way towards the Great Lawn and Kroger Promenade for After Party fun!
