Goal \$2,000

Meet my son Donald! He is funny, curious and sometimes a bit mischievous. He also has many challenges that change as he grows. Each year we partner with the Down Syndrome Association of Greater Cincinnati and participate in the Buddy Walk to raise money for this wonderful organization that has provided education and support to our family for many years. I am very passionate about this cause because they have been a lifeline for us to learn how to help Donnie with those needs as well as support our family as we navigate the challenges that come with raising a child with down syndrome.

This year I have decided to use my Touchstone Crystal by Swarovski business to help us reach our goal and to provide Beautiful Sparkle at the same time! This is a WIN WIN for you and for this year's Buddy Walk!

100% of my commission will go directly to our Buddy Walk team Donnie's Gang!

All those that purchase get a raffle entry chance to win

a beautiful brand new Initial Necklace for only \$19(retail \$79) and possibly more based on sales!!

Please join our special private facebook group to see all of the amazing specials this month , learn more about the jewelry and interact with fun posts. Earn tickets for the raffle too!
