- **We ask that the Team Captain (or a designated member of the team) coordinate picking up the team shirts.** We will distribute ALL of your team shirts to one person. Captains will want to make arrangements with team members to distribute each shirt. We will provide you with an updated team roster with shirt sizes when you pick up.
- **Please email shirts@dsagc.com** to let us know when you will be coming to pick up your shirts. Please include the **team name, name of person picking up the shirts** and the **date and time** that you plan to come (please note the schedule above). This year, it is very important that you let us know in advance when you plan to pick up your shirts. If you do not let us know, there is a good chance you will experience a longer wait time. If we know you are coming, we can plan accordingly and have everything ready in time for your arrival.
- For **Team DSAGC members only**, please indicate you are a member of this team and list the team members you are picking up for in your email.
- **We encourage you to double check your shirt order before you leave** and feel free to look over your team list to ensure that everyone is registered and that you received all of your shirts. We will do our best to make any corrections before you leave.
- You will receive your yard sign when you when you pick up your shirts. Teams that raise \$500 or more will also receive a gift at the time of t-shirt pick up.
- **All t-shirt pickup will be curbside and contact-less** in front of the DSAGC. You will remain in your car and a volunteer will bring your shirts out to you.
- **Follow the signs** when you arrive. Signs will indicate where to park and how to let us know that you have arrived.
- **Please allow some time for pick up.** While we will have your shirts packed up and ready to go when you arrive, we always double check orders before they go out the door. We appreciate your patience with our staff team and volunteers.
