

## Registration Type Step 1

### Participant Type \*

- Volunteer**  
All ages welcome
- Adult Walker**  
13 years old and above  
  
Registration Fee: ~~\$35.00~~  
\$30.00 until 10/31/2017 @ 5:00 PM
- Youth Walker**  
12 years old and under  
  
Registration Fee: ~~\$25.00~~  
\$20.00 until 10/31/2017 @ 5:00 PM

**3.** Next, you'll need to choose the appropriate registration type. If you're registering as a volunteer, you'll be asked which position(s) you'd like to help with when you click "**Continue to Next Step**".

**4.** After that, you'll need to pick your role on a Team. If you aren't sure which Team you'll be joining, or if their page hasn't been set up yet, just pick "**Individual**" – your Team Captain can add you later.

**4b.** If you're starting a new Team, select **"Create a Team"**, then the appropriate type, then the Team name. If you'd like to check whether a name is already in use, you can do a search from the main event page.

5. Now, you'll need to enter your registration information and fundraising goal. We highly encourage a minimum goal of **\$350**.

**Don't worry** if you don't reach your goal, but it's helpful to have a number to strive towards to help us reach our \$1,000,000 goal.

Participants who would like to be recognized as a person living with Epilepsy will receive purple t-shirts.

6. Team Captains should list an Emergency Contact who will not be attending the Walk.

If you're involved with a regional Affiliate of the Epilepsy Foundation, please list it here, otherwise leave it at **"None."**

If you are walking as part of the SUDEP (Sudden Death in Epilepsy) Team, check **"yes"**. For more information about the SUDEP team, please contact us at [walkinfo@efa.org](mailto:walkinfo@efa.org).

**7.** Enter your information here if you are a new participant. If you already have an account, log in and it will automatically fill these out. You can then make corrections, if necessary.

**8.** The email address you enter here acts as your Walk username, so it can't already be in our system. If your email address is already in use, you'll need to login with that address first, then either register as that user or change the address to the one you want to use.

9. If you'd like to be an inspiration to others by making a donation yourself, you can do so here.

## Donation Information Step 4 of 5

Once you're registered, you'll have access to your Dashboard. From here, you'll be able to make changes to your fundraising page, see donations that you've received, and register additional participants. Note that Team Captains can switch between personal and Team Dashboards by clicking on "**Your Fundraising**" or "**Your Team Fundraising**".

The screenshot shows the top navigation bar with 'Dashboard' circled in red. Below it, the event title '12th Annual National Walk for Epilepsy' is displayed. The 'Your Fundraising' tab is selected, and within it, the 'Register Another Participant' option is circled in red. Other options include 'View Your Page', 'Edit Your Page', 'Make a Donation', and 'View Donations Received'.

If you want to register additional participants, click "Register Another Participant" from your Dashboard, and select whether you want to create a new participant record, or select an existing one that you manage.

If you're creating a new registrant, select their relationship to you and whether you'll be managing their account. When registering someone with account access, you'll need to provide the email address they'll use to get in.

Make sure before creating a new registrant that they aren't already in the system! We should already have every person who has participated in the National Walk for Epilepsy since 2016. If you're not sure, or if you accidentally create a duplicate, please contact the Walk Planning team at [walkinfo@efa.org](mailto:walkinfo@efa.org) or 866-433-9255.

To register a returning participant, click "select a registrant" and you'll see a list of all participants you currently manage. If a returning participant you don't manage wants to join your Team, they'll need to log in and search for the Team from their own record.
