

Cedar Crest High School Mini-THON Sponsorship

What Is Four Diamonds?

Cancer kills more children in the United States each year than any other disease. The Four Diamonds mission is to conquer childhood cancer by assisting children treated at Penn State Hershey Children's Hospital and their families through superior care, comprehensive support, and innovative research. We believe in a holistic approach to childhood cancer treatment. We not only treat the disease, we care for the child's well-being, their family, and cover all expenses for the care and treatment of the child not paid for by insurance or other means.

Mini-THONs are interactive, fun-filled events that are student-led.

Four Diamonds Mini-THONs are fun-filled events for students of all ages that inspire teamwork, leadership, and creativity while empowering young people through philanthropy and service in the fight to conquer childhood cancer. Mini-THONs are modeled after the Penn State IFC/Panhellenic Dance Marathon (THON), and have been making a difference in the lives of childhood cancer patients and their families for more than 20 years. With over 188 schools and 30,000 student participants throughout the region, Mini-THONs are bringing hope to families in need and creating a legacy of service within their community.
