

## Does your school have what it takes to win the Team Cup Award?

The Team Cup Award will be presented to the school that demonstrates the most team spirit by participating in and raising funds for the Albany Kidney Walk/Run. We encourage schools to compete against one another in the quest for the Team Cup and come to the event in school colors, sports uniforms, and with wide representation from throughout the school community! Awards will be given in two categories:

- Top Fundraising School – receive a trophy to display and \$500 stipend to purchase school or club supplies.
- Largest Team – receive a trophy to display and a \$250 stipend to purchase school or club supplies.

To register your school for the Team Cup Challenge, simply complete the information below! You will be assigned an NeKF Liaison that can coach your team to success!

Your Name: \_\_\_\_\_

School: \_\_\_\_\_

Address: \_\_\_\_\_

\_\_\_\_\_
