*Walk to End Lupus Now*TM is the signature event of the Lupus Foundation of America (LFA). In more than 50 cities across America, thousands of people walk to make a difference in the lives of those affected by lupus and to raise essential funds for research, education, advocacy, and unmatched support services.

The Lupus Foundation of America, Philadelphia Tri-State Chapter is part of a national force devoted to solving the cruel mystery of lupus. Lupus is hidden, unpredictable, undefined, and misunderstood. It strikes without warning, ravages different parts of the body, and can range from a skin rash to a heart attack. Lupus is chronic, debilitating and destructive, and can be fatal, yet research on lupus remains underfunded relative to its scope and devastation. How cruel and mysterious is that?

The Lupus Foundation of America has an ambitious goal: Improve the quality of life for all people affected by lupus. That's not an easy task, but it is one that we don't shy away from either. It's our fighting spirit and dogged determination that shows the world just who we are and what we stand for.

We hope that you will consider standing with us in the fight against lupus. Thanks to people like you who bring additional funding to the fight, the LFA can continue to rally experts and deploy resources so that we can continue making progress toward solving the cruel mystery of lupus and ultimately end its devastating impact.

Thank you in advance for your consideration. We hope you will join us as a sponsor of the *Walk to End Lupus Now*TM.
