HANDY TIPS FOR FUNDRAISING ON DONOR DRIVE

Our event is built on the platform, **Donor Drive**, a customizable and easy to use fundraising platform which allows you to track your KMs, raise funds and support Make-A-Wish. It's easy to fundraise through your personal page by adding some unique features to have a bigger impact: milestones, incentives and activity pledges as options.

MILESTONES

Milestones are handy markers to keep you going on your challenge and to help smash your goals. You can add these to your personalized fundraising page to inspire you and your donors with your progress.

WHAT YOUR DONORS WILL SEE?

Anyone who wants to support you, will be able to see your milestones and help **YOU achieve your goal**. Donors can opt to help a fundraiser reach their next milestone or they can view all milestones a fundraiser has set up and donate to reach any upcoming milestone.

The picture to the left is what donors will see when paying.

INCENTIVES

You can add **incentives** to your personalized fundraising page as a way to offer your donors something in return for supporting you reaching your fundraising goal. You're able to easily edit these as you go and can set what feels comfortable to you.

You can be very creative with your incentives!

An example of an incentive would be: for \$10 you will do a personalised thank you message, for \$30 you will do a personal thank you video, for \$100 you will bake them a cake, for \$500 you will shave all your hair off...

The image shows two parts of the 'Incentives' interface. On the left is a list of existing incentives, and on the right is a form to add a new one.

Does this incentive have start and/or end dates?*

Yes No

You will also be prompted with additional information you can add about the incentive:

- **Incentive Image** (Optional)
- **Quantity Available:** Number of incentives available
- **Does this incentive have start and/or end dates?:** Fundraisers can select a start date, an end date, both, or neither.
- **Do you need any additional information from the donor?:** If a fundraiser needs additional information from the donor to fulfill an incentive, such as an email address or social media username.

Incentives are good way to increase donations, add some fun for your donors and to thank them for donating.

ACTIVITY PLEDGES

Activity Pledges allow donors to pledge a specific donation amount for each activity the fundraiser completes. **For example, a donor can pledge \$5 for every KM the fundraiser completes.** This will help fundraisers get a jump start on their fundraising efforts.

Example: you have signed up for the 100KM challenge

Your friend sponsors you \$1 for each KM you track...when you reach your goal, they'll have sponsored you \$100!

WHAT YOUR DONORS WILL EXPERIENCE?

- Donors pledge per activity tracked (Ex: \$5/KM) in Express Donate™ or on the Standard Donation process
- Donors can optionally set a maximum amount to donate (Example: \$5/KM up to \$100)
- Donors are billed automatically or by an admin when the activity challenge ends

WHAT YOU EXPERIENCE AS A PARTICIPANT?

- Participants instantly see when they receive pledges
- Participants receive motivational message when donors pledge
- Fundraising thermometer increases as activity is tracked
