DIY for wishes

To get started:

*Register your fundraiser online at **diyforwishes.ca** to access great tools and tips and be able to send a safe and secure link to your network to make online donations .*

TIPS TO HOST YOUR ULTIMATE CELEBRATION EVENT ARE:

Take your birthday, anniversary or even wedding and make it a fundraiser! Ask your party guests for a donation instead of a gift.

Draw others into your story
A birthday or other special date creates a natural storytelling opportunity, and telling your story and why your fundraising will draw people in!

Make a specific ask to your supporters
Why not ask everyone to give up their daily latte for your birthday and instead donate $5 to your cause?

Share your creations with us! Tag @makeawishcanada to show how your celebrating for a cause!

Be proud that your efforts are helping to grant the most heartfelt wishes of children across the country!
