EVERY MILE YOU PEDAL MAKES A DIFFERENCE

The Bike MS community has raised more money than any other cycling event for any other cause. To date, Bike MS cyclists, volunteers, and donors have raised more than \$1.4 billion to stop MS in its tracks, restore what's been lost, and end MS forever. We've never been closer to a cure. And the next mile you ride and dollar you raise could be what gets us to the finish line of a world free of MS.
