National MS Society Alcohol Policy

While a cold beer might be just the thing to top off a great day of riding, please understand that the serving of alcohol in our CAMPING AREA requires everyone to act responsibly. Please follow these simple but important policies to ensure the safety of all participants and understand your liability as the host when you are providing alcohol to members of your group and visitors.

- Control the consumption of alcohol for your team and guests.
- Be prepared to provide transportation for anyone who may be intoxicated and is traveling offsite.
- Follow all local regulations and laws regarding the distribution of alcohol.
- Lewis & Clark Community College and the National MS Society – Gateway Area Chapter are not responsible, nor liable, for any alcohol provided in Recreational Vehicles or in tents.

If in an RV, please follow the orange line to the RV Lot Staging. The Campground Liaison will direct you to your assigned location.

If camping in the tent area, please follow the green line and volunteers will assist in taking your supplies to the tent camping area. **PLEASE DO NOT DRIVE ON GRASS SURFACES.**
