NATIONAL TEAM

2022 IMPACT REPORT

Presented To: nVent
Dear nVent Team,

Thank you for your commitment to our vision of a world free of MS. Your support is changing lives.

No one should face MS alone. And thanks to people like you, no one has to. The National MS Society is here for every person with MS – we always will be – until we find a cure for everyone. The nearly 1 million people living with MS and their families nationwide can count on us to partner with them to move their lives forward as we work together to end MS forever.

In 2022, our National Teams raised $7.4 million. Together we are stronger! There’s no doubt about that. Team captains rallied 7,000 event participants to join the MS movement. Thank you!

We will cure MS while empowering people affected by MS to live their best lives—that's our mission, and to achieve this we provide global leadership to implement the scientific roadmap, Pathways to MS Cures.

We shine a light on the biggest problems and advocate for policies that solve them. We provide MS Navigator support and many other connections, so people affected by MS are empowered to live their best lives. Your partnership in this movement is critical to fulfilling our mission. Again, and again...thank you!

Sincerely,
