Dear _____________,

I want to personally invite you to join me in supporting NAMIWalks, the largest and most successful mental health fundraising and awareness event in the United States. Through NAMIWalks' public support for people and families affected by mental illness, we are changing how Americans view people with a mental illness and ensuring that help and hope are available for those in need.

This is an excellent opportunity to support NAMI (the National Alliance on Mental Illness). Every dollar raised helps NAMI provide more services for people living with mental health challenges.

Please support me by making a charitable donation and/or joining my team. This means so much to me. Thank you! (insert your walker page link).
