YOUR SUPPORT CHANGES LIVES

We touched the lives of nearly 10,000 Northern Virginians last year.

We had a 20% increase in participants for our 15 support groups and a 53% increase in public education attendees from all over the DMV.

We are adding staff and programs to help meet the mental health needs of Northern Virginia and provide culturally responsive programs, including a Helpline in English and Spanish, and mental health education opportunities for frontline healthcare, workplace, military, and older adults.
Thank You
