# Weekend Overview

## Packet Pick-Up & Opening Ceremony

**Saturday, October 14th**  
**4 PM - 8 PM**

**Augusta Common**

**836 Reynolds Street, Augusta, GA 30901**

Opening Ceremony for 2023 has been reimagined. The night will feature live music from local band, The Joe Stevenson Band, food from local food trucks, inspirational cancer stories, and a celebration with fellow Paceliners.

*Riders must fundraise a minimum of \$100 by check-in time to receive the Rider Swag Bag, a meal ticket for yourself, which includes dinner, dessert, and two beverages at the food trucks of your choice, and the ability to fund-share with team members.*

Each Rider must present a valid ID to receive their credential packet, which includes your Rider wristband. This wristband is your passport to PaceDay weekend and all related festivities. The credential packet will also include your bike tag, helmet sticker, and bag tag.

If you wish to change your chosen route and go further or shorter than you initially registered for, this must be determined before the event starts and communicated with Paceline's Project Lead, Cayla Long, at [clong@paceline.org](mailto:clong@paceline.org). If you decide to ride a shorter route, you are still responsible for the higher fundraising level.

If you cannot attend the Opening Ceremony on Saturday evening, Rider Check-In will be available at the Augusta Common on Sunday, October 15th, beginning at 6:30 AM.

**Please note: Do not bring your bike, helmet, or post-ride bag to Opening Ceremony. There will be no bike & bag check on Saturday, October 14th.**

**Dogs are not permitted at the Opening Ceremony, Start Line or Finish Line except for Service Dogs.**

# Before the Ride

## Safety Guidelines

### Rules of the Road

When you registered to participate in PaceDay, you agreed to abide by all of the following rules of the road at all times during the ride.

The 25-, 50-, and 70-mile routes are conducted on open roads. We do not close roads for these routes. Motor vehicle traffic will be present throughout the entire course. Be aware of what's going on around you at all times. Police may be present in certain areas as support. However, it is the Rider's responsibility to watch out for traffic and other Riders.

**If you see or have any issues, call the Rider Help Line at 1-800-597-0247.**

- Paceline is not a race.
- Obey all traffic signs and signals.
- Ride as far to the right of the road as possible, except to pass.
- Pass on the left side only.
- Communicate with your fellow Riders using proper cycling terms, such as "on your left," "car back," etc.
- Helmets must be worn at all times while riding.
- Headphones, iPods, and radios are not permitted while riding.
- Endangering the safety of your fellow Riders is strictly prohibited.
- Be aware of your fellow Riders and ride in control of your bike at all times (i.e., be able to stop within a reasonable distance).
- Use proper hand signals when turning (see Tips for Safe Group Riding for the list of signals).
- Make left turns from the center of the road or left turn lane.
- Cross railroad tracks at a right angle to avoid dropping wheels in the space between rails and the road.
- Do not cross the yellow center line regardless of the passing zone.
- Obey instructions from the Paceline road crew and pay attention to information posted on Paceline road signs.
- Paceline signs will be white with navy letters or red with white letters.
- Each Rider is expected to speak out when observing a violation. If spoken to, please listen and abide by the concern expressed.

**Rider Help Line 1-800-597-0247**

# Tips for Safe Group Riding

## Use Hand Signals

Use hand and verbal signals to communicate with fellow cyclists and other traffic. Hand signals for turning and stopping are as follows:

- Left Turn: Left arm straight out to the side.
- Slow or stopping: Left arm out and down with your palm to the rear.
- Right Turn: Right arm straight out or left arm out and up at a 90 degree angle.

## Give Warnings

Warn cyclists behind you well in advance of changes in your direction or speed. To notify the group of a change in path, the lead Rider should call out "left turn" or "right turn" in addition to giving a hand signal.

## Change Positions Correctly

Generally, slower traffic stays right, so you should pass others on their left. Say "on your left" to warn the cyclist(s) ahead of you that you are passing. If you need to pass someone on the right say "on your right" clearly since this is an unusual maneuver.

## Announce Hazards

When riding in a group, most cyclists do not have a good view of the road surface ahead, so it is important to announce holes, glass, sand, grates, and other hazards. The leader should indicate hazards by pointing down to the left or right and shouting "hole" or "bump" to alert cyclists behind them.

## Watch for Traffic Coming From the Rear

Because those in front cannot see traffic approaching from the rear, it is the responsibility of the Riders in back to inform the others by saying "car back" when rounding curves on narrow roads or when riding double. It is also helpful to warn of traffic approaching from the front with "car up."

## Watch Out at Intersections

When approaching intersections that require vehicles to yield or stop, the lead Rider will say "slowing" or "stopping" to alert those behind you to the change in speed. When passing through an intersection, some cyclists say "clear" if there is no cross traffic. Note that each cyclist is still responsible for verifying that the way is indeed clear. There will be Paceline directional signage on the entire course.

## Leave a Gap for Cars

When riding up hills or on narrow roads where you are impeding faster traffic, leave a gap for cars between every three or four bikes. That way a motorist can take advantage of shorter passing intervals and eventually move around the entire group.

## Move Off the Road When You Stop

Whether you are stopping because of mechanical problems or to regroup with your companions, move off the road so you don't interfere with traffic. When you start up again, each cyclist should look for and yield to traffic.

## Ride One or Two Across

Ride single-file or two abreast as appropriate to the roadway, traffic conditions, and where allowed by law. Georgia and South Carolina laws permit narrow vehicles such as bikes and motorcycles to ride two abreast within the lane. Even when riding double is legal, courtesy dictates that you single up when cars are trying to pass you.

## Deviating From Route

Rider safety is our number one priority. Please make sure to start only at the official starting area and avoid deviating from the route. Paceline staff follows all Riders on the course at all times. If you deviate from the course, we are unable to properly monitor your location.

# Hydration & Nutritional Information

Please remember to keep yourself well hydrated before, during, and after the ride, regardless of the weather.

It is critically important to avoid dehydration by drinking water and sports drinks on a schedule throughout the ride (roughly one liter or 33 ounces per hour, starting with water and switching to sports drinks after the first hour or two.)

Do not rely on thirst - thirst only kicks in when you are already dehydrated. It is also essential, however, not to over-consume water. Overhydration with straight water lacking sodium found in sports drinks may result in hyponatremia, sometimes called water toxicity. This dangerous and potentially deadly condition can be avoided by switching to primarily drinking sports drinks containing at least 100mg of sodium after the first 1-2 hours of riding. Be sure to read the ingredient labels, as many "sports beverages" contain far less than the minimum recommended amount of sodium. There will be water and sports drinks available at all rest stops.

Carbohydrate loading helps athletes participating in endurance events maximize energy storage to improve endurance and delay the onset of fatigue. Snacking on potassium-rich fruits such as bananas and pretzels containing sodium will also help replenish nutrients the body loses during the ride. These and similar snacks will be available at every rest stop.

## Paceline Medical Coverage

First aid tents will be set up at the start, rest stops, and finish venues. SAG (Support and Gear) vehicles will patrol the routes to give injured or exhausted riders a lift to the nearest first aid tent.

Any situation requiring greater attention than basic first aid will be treated at the nearest medical facility via ambulance. *While riding, please carry all your prescription medications and your health insurance card in your jersey/shirt or inside a small bike bag attached to your bike.* Medical volunteers will not have I.V. solutions and will not dispense any medication. If you are in need of medical assistance while on the route, call the **Rider Help Line at 1-800-597-0247**. The Rider Help Line number will also be on your Rider wristband. In the case of an emergency, please call 911 first, then the Rider Help Line so Paceline officials can track the incident and assist as necessary.

# Gearing Up for Your Ride

To make your PaceDay experience as safe and fun as possible, the ride is supported by various assets such as law enforcement, signage, and Rest Stops. If you choose to ride the PaceDay route anytime other than event weekend, you ride at your own risk.

Remember to have your bike tuned up PRIOR to PaceDay.

*If you ride tubulars, you must carry a spare tire as we will not have extras.*

If you would like to download the GPX files of the course for Ride Weekend, please [click here to download them](#).

The following is a suggested packing list for PaceDay. You are permitted one duffel/backpack. Bring only those items essential for the day. Do not hang items from your luggage at any time during the weekend as they could easily be lost. *These items will only be checked on Sunday.*

**Attach the bag tag you receive in your Rider Credential Packet before turning in your bag.**

## Packing List

- Helmet
- Tuned-up bike with hand pump
- Saddle bag with tire levers, patch kits, two spare inner tubes, and cycling multi-tool
- Cycling shoes, cycling shorts and/or tights, cycling shirt or jersey, socks, gloves
- Extra water bottle
- Sunglasses
- Sunscreen
- Lip Balm
- Cell phone for emergency use only (in a ziplock bag - carry with you)
- Identification, money/credit card, insurance card (carry with you)
- Any needed prescription medication(s) (carry with you)
- Car/house keys (carry with you)
- Casual clothes/shoes for after the ride
- Rain gear
- Plastic bag(s) to protect dry clothing in case of rain and to pack wet items
- Shower toiletries and towel

# Packet Pick-Up & Opening Ceremony

## Rider Instruction

Opening Ceremony will occur from 4:00 PM until approximately 8:00 PM. Even if you cannot stay for the entire evening's program, all Riders should plan to come to Opening Ceremony to check in and pick up their Rider Credential Packet.

*There will be no bike and bag check at Opening Ceremony this year. Do not bring these items until Sunday morning.*

## Opening Ceremony Location

Opening Ceremony will take place at Augusta Common.

836 Reynolds Street, Augusta, GA 30901

## Guests at Opening Ceremony

Invite all of your friends and family members to attend Opening Ceremony with you this year!

Guests will be able to purchase food and drinks from local food trucks.

It will be a wonderful night of food, drinks, cancer stories, and live music for everyone!

## Packet Pick-Up

After parking, Riders should proceed to the Packet Pick-Up area. Each Rider must present a valid ID to receive their Rider Credential Packet, which includes a Rider Wristband.

The Rider Wristband is your passport to PaceDay weekend. DO NOT take off your Rider wristband until you leave PaceDay for the last time. NO ONE will be permitted to ride on Sunday without a Rider Wristband. The Rider Credential Packet will also include a bike tag, helmet sticker, bag tag, and meal ticket for Opening Ceremony.

## Late Rider Check-In

If you are unable to attend Opening Ceremony on Saturday evening, the Rider Check-In area will be open on Sunday morning starting at 6:30 AM.

## Parking at Opening Ceremony

Parking will be available in the lots on Reynolds Street behind Augusta Common, as well as any legal parking space downtown.

### Schedule of Events

- 4:00 PM - Gates Open  
Rider Check-In Opens  
Food Trucks Begin Serving
- 5:00 PM - Joe Stevenson Band Performs
- 6:15 PM - Welcome & Cancer Stories
- 6:45 PM - Joe Stevenson Band Performs
- 8:00 PM - Opening Ceremony Ends

# Packet Pick-Up & Opening Ceremony

## **Bike & Bag Storage**

There will be no overnight bike or bag storage this year. Do not bring your bike and bag until Sunday morning.

## **Bike and Bag Tags**

You should securely attach bike and bag tags to your property before handing them over to Paceline volunteers.

Paceline volunteers will be unable to deliver any bags to the finish line that are not correctly tagged. Any unidentified or unclaimed bikes or bags will be taken to the Paceline office to be claimed after the ride. 1010 Broad Street, Augusta, GA 30901

## **Beverages**

Water, soft drinks, beer, and wine will be available at the Opening Ceremony and Finish Line Festival. A valid ID must be presented for those who wish to enjoy alcoholic beverages. An Over 21 wristband must be worn for the remainder of the evening. Alcoholic beverages will not be served to anyone who is not wearing a proper Over 21 Wristband.

## **Dinner**

Foods trucks will be onsite with a variety of options for dinner on Saturday night. All Riders and Paceline Pals who fundraise at least \$100 by Opening Ceremony will receive a food ticket, good for one dinner, one dessert, and two alcoholic beverages. All guests attending Opening Ceremony will be able to purchase food and drinks at will.

## **Medical Assistance**

Medical volunteers will be available at the Opening Ceremony on Saturday evening if you need assistance. Please note that medical volunteers will not dispense supplies or medications unless there is an emergency, at which time appropriate EMT support will be contacted to assist.

# PaceDay

## Sunday Morning Parking

Parking for Sunday morning is the same as Saturday night. Space will be available in the Reynolds Street lots and in all legal spaces on Broad Street. The ride will start promptly at 8:30 AM, so we recommend arriving by 7:30 AM.

## Bike Maintenance/Repairs During Ride

Please plan to tune up your bike before PaceDay. However, if you need help on Sunday morning, bike mechanics from Chain Reaction will be available to help with minor adjustments and repairs.

Flat tires are a common occurrence over the course of the ride. To best be prepared, carrying a tube-changing kit with the knowledge of how to use it is helpful.

## Staging & Start of the Ride

The route is very crowded at the start of the ride. At this point especially, all Riders must adhere to the road rules previously mentioned.

Remember, Paceline is **NOT** a race. Please be patient, careful, and courteous to those around you. After this initial phase, the group will slowly spread out, and you can settle into a comfortable pace for the duration of the ride.

## Guests at the Start Line

We encourage guests to join us to send off the Riders on Sunday morning at Augusta Common.

Note: dogs are not permitted at the Opening Ceremony, Start Line, or Finish Line except for Service Dogs.

## Rider Help Line

If you need assistance for any reason during the ride and cannot locate a Paceline volunteer, please call the **Rider Help Line at 1-800-597-0247**.

## Medical Assistance

Medical assistance will be available at every Rest Stop along the route, including at the start of the ride. Please remember volunteers will provide only basic first aid services and will not dispense any medication. EMTs will be on call throughout the day and at appropriate locations along the route. If you have a medical emergency, please call 911 first, then the Rider Help Line.

## Signage

All Riders need to follow all traffic lights and signs while on course. Pay careful attention to Paceline signage along the route. Paceline signs will be white with navy letters or red with white letters. In addition to directing Riders, signs will identify specific areas where Riders should be particularly cautious of oncoming traffic or hazardous road conditions. Also, pay attention to any signage at the rest stops, which will warn of dangerous heat indexes or other weather conditions.

## Support Vehicles/Volunteers

Support and Gear (SAG) vehicles will be patrolling the route with volunteers inside to assist Riders as needed. If you have a mechanical or medical incident on the route, contact the **Rider Help Line at 1-800-597-0247**, and a vehicle will be deployed to your location to pick you up. You will be transferred to the nearest rest stop for assistance. For safety reasons, mechanical repairs will not be done along the roadside.

## Personal Support Vehicles

Because Paceline has arranged for a significant number of SAG vehicles and volunteers to monitor the entire route, we respectfully request that Riders **DO NOT** have personal support vehicles follow them along the route. Although Riders will be proceeding along public roads, the route is safer when fewer vehicles are traveling on it.

# PaceDay

## Riding Farther than Your Chosen Route

If you wish to change your route, this must be determined before the event starts and communicated with Paceline's Project Lead, Cayla Long.

Cayla can be contacted at [clong@paceline.org](mailto:clong@paceline.org).

## Finish Line Festival

There will be a celebration in downtown Augusta for all distances, including the Cyber City Circuit.

Augusta Common  
836 Reynolds Street  
Augusta, GA 30901

The Finish Line Festival is meant to celebrate the Riders' physical accomplishments and, more importantly, their fundraising commitments.

Please note that dogs are not permitted at the Opening Ceremony, start line, or finish line except for Service Dogs.

## Guests at the Finish Line Celebrations

We encourage family and friends to come and cheer on Riders as they arrive at the Finish Line. The food and beverages at the finish line are intended for the Riders. Additional buffet tickets for guests will be available at the merchandise tent.

\$25 - Adult

\$10 - Children ages 6-12

Free - Children under 6

## Showers

A shower trailer will be available at the finish line for all Riders. Please supply your own toiletries and towel.

## Weather Conditions

Weather is unpredictable, and rain is a very real possibility. Barring severe weather emergencies, PaceDay will continue despite poor weather conditions. Riders should be prepared for high winds, temperatures ranging from 50-100 F, heavy rainfall, or a combination of conditions. Paceline will be communicating to Riders and volunteers about the potential for adverse weather conditions and warnings via text message.

Paceline will utilize the Event Alert System (EAS) as a visual aid for communicating to Riders and volunteers the potential for adverse weather conditions. A series of color codes will be used to indicate the increasing severity of adverse conditions. The color-coded signs will be placed at the Medical tent at each rest stop and venue during the event.

### Green (LOW)

Good conditions: Enjoy the event - be alert!

### Yellow (MODERATE)

Less than ideal conditions: Slow down - be prepared for worsening conditions.

### Red (HIGH)

Potential dangerous conditions: Slow down - observe course changes - follow official instructions - consider stopping.

### Black (EXTREME)

Event canceled/extreme and dangerous conditions: Participation stopped - follow event official instructions.

# FAQs - Riders

## Packet Pick-Up

### Where/When is Packet Pick-Up?

Riders may check in at Augusta Common between 4:00 PM - 8:00 PM on Saturday, October 14, and beginning at 6:30 AM on Sunday, October 15.

### What should I bring to Packet Pick-Up?

You will need to bring a valid ID to receive your Rider Credential Packet, which contains your Rider wristband. You will not be allowed to ride without the Wristband. Do NOT bring your bike or gear with you to check in on Saturday.

### Do I have to wear my Rider wristband all weekend?

Yes, your Rider Wristband is your passport to PaceDay, so it must be worn in order to participate in the weekend. The wristband also contains all of your vital information for your safety. If you are not wearing your Rider Wristband, you may be prohibited from participating in PaceDay activities.

## Opening Ceremony

### When/where does Opening Ceremony start?

Opening Ceremony is on Saturday, October 14, from 4:00 PM to 8:00 PM at Augusta Common, 836 Reynolds Street, Augusta, GA 30901.

### Can I bring a guest to Opening Ceremony?

Yes! Make a night of it! We want to celebrate your fundraising accomplishments. We will have delicious food trucks, plenty of beverages, a short program, and live music from the Joe Stevenson Band. Riders who have raised \$100 will receive vouchers for food and drinks and guests can pay the food trucks directly.

## The Ride

### How far do we have to ride at once?

Sunday ride lengths are 25, 50, and 70 miles on the open road.

There will be rest stops along the route approximately every 9-15 miles. Beverages, food, mechanical support, and medical assistance are available at every stop. The Support and Gear (SAG) vehicles will also patrol the route to provide assistance if needed. For safety reasons, mechanical repairs will not be done along the roadside.

### Can I download the route files for ride weekend?

If you would like to download the GPX files of the course for ride weekend, [please click here to download them](#).

In order to make your PaceDay experience as safe and fun as possible, the ride will have various support assets such as law enforcement, signage, and rest stops. If you choose to ride the PaceDay routes anytime other than event weekend, please ride at your own risk.

### What if I want to ride farther and increase my fundraising commitment on the day of the ride?

For safety and logistical planning, we must know which Riders are on the route at all times. If you decide to change your route, this must be determined PRIOR to the event start and communicated with Paceline's Project Lead, Cayla Long.

Cayla can be contacted at [clong@paceline.org](mailto:clong@paceline.org).

### What if I can't finish my route?

Paceline is a fully supported ride. SAG vehicles will be patrolling the entire route to assist Riders and help them reach the nearest rest stop or finish line, if necessary. If you do not see an accessible SAG vehicle, please call the **Rider Help Line at 1-800-597-0247**.

# FAQs - Riders

## Bike Maintenance and Storage

### Where/when can I get my bike serviced?

Bike mechanics from Andy Jordan's Bicycle Warehouse, Chain Reaction, and Pedego Electric Bikes will be located at every Rest Stop on the route, including the Starting Line. However, please tune up your bike before PaceDay.

### What if my bike breaks during the ride?

Support and Gear vehicles will patrol the entire route to assist Riders with emergency repairs. If you have a mechanical issue on the route, call the **Rider Help Line at 1-800-597-0247**.

Mechanical repairs will not be done along the roadside for safety reasons.

### Where do I park my bike overnight?

Keep your bike with you until the race start. There will be no overnight bike check.

### Where do I park my bike after the finish?

There will be space to park your bike at Augusta Common until you are ready to leave.

## Rest Stops

### Where are the rest stops?

There are rest stops approximately every 9-15 miles. Rest Stops are listed on page 7.

## Food/Beverages

### Will food and beverages be provided?

Yes, there will be food and beverages at the Finish Line and snacks and beverages at every Rest Stop.

Rest Stop #4 at Pedego Electric Bikes will also feature free food from J & K Blue Box.

## Medical Questions

### Where do I seek medical attention?

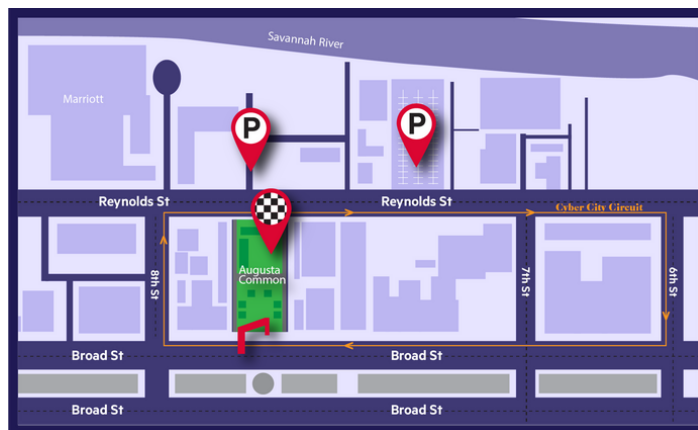

There will be medical volunteers at Rest Stops and in SAG vehicles that patrol the routes. EMS and local hospitals will also be on call. Please keep in mind that medical volunteers will perform basic first aid only and will not be carrying any I.V. fluids or prescription medicines. Medical emergencies requiring more than first aid will be treated at the nearest hospital. If you require medical assistance while on the route, call the **Rider Help Line at 1-800-597-0247**.

In case of an emergency, call 911 first, then the Rider Help Line, so event officials can track the incident and assist as necessary.

## Transportation

### Where do we park?

On Sunday morning, park downtown on Reynolds Street.

# FAQs - Families & Other Supporters

## Where can I cheer for my Rider along the route?

We encourage guests to cheer on Riders as they proceed along the route and arrive at the Finish Line. [See an overview of the route here.](#) When traveling to a particular portion of the route, guests should make every effort to travel and park along alternative roads to keep the roads as clear of cars as possible.

At the Finish Line, guests must follow all instructions provided by members of law enforcement and Paceline volunteers. Parking is available downtown near the Finish Line. Guests are not invited to enter any Rest Stops along the routes for any reason, as it endangers the Riders entering and exiting the properties.

Also, please remember that spray paint on public roads to cheer on Riders is strictly prohibited by law.

The food and beverages at the Finish Line are intended for the Riders. Buffet tickets will be available to buy at the Paceline Merch Tent. For the safety and comfort of all, please leave your dog at home unless they are a service dog.
