

RESPIRATORY HEALTH ASSOCIATION®

In 2019, RHA introduced [new software](#) (DonorDrive) for event registrations and fundraising.

Returning participants: If you participated in events earlier than 2019, you'll need to create a new account during registration.

How to log into your account

From the top of any DonorDrive page, click on the lock icon on the far right.

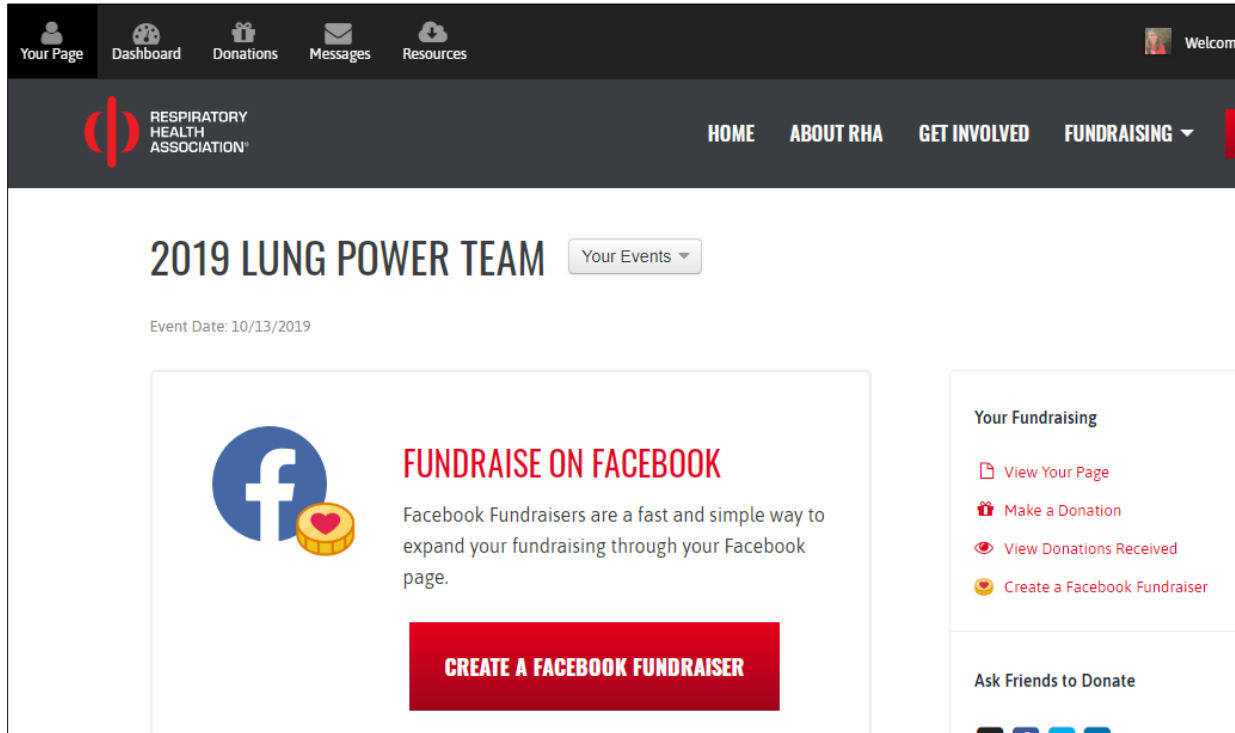

Enter your email and password you used during registration.

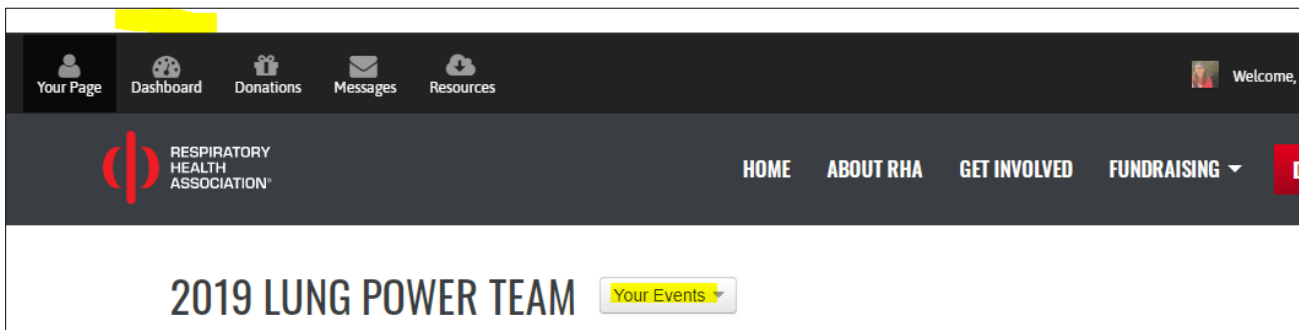

Fundraising Portal

Once you are logged in, you'll have access to your fundraising portal that includes: your dashboard, your page (to make edits), donation information, resources and more!

Customize your fundraising page

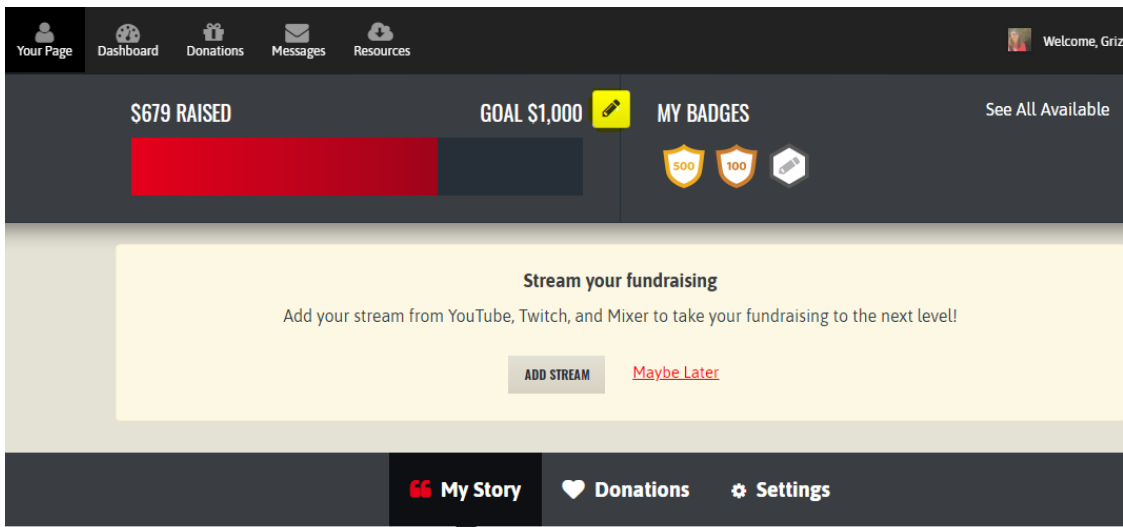

From your Dashboard: if you're registered for multiple events, choose the event you want to work on.

Once selected, click on Your Page.

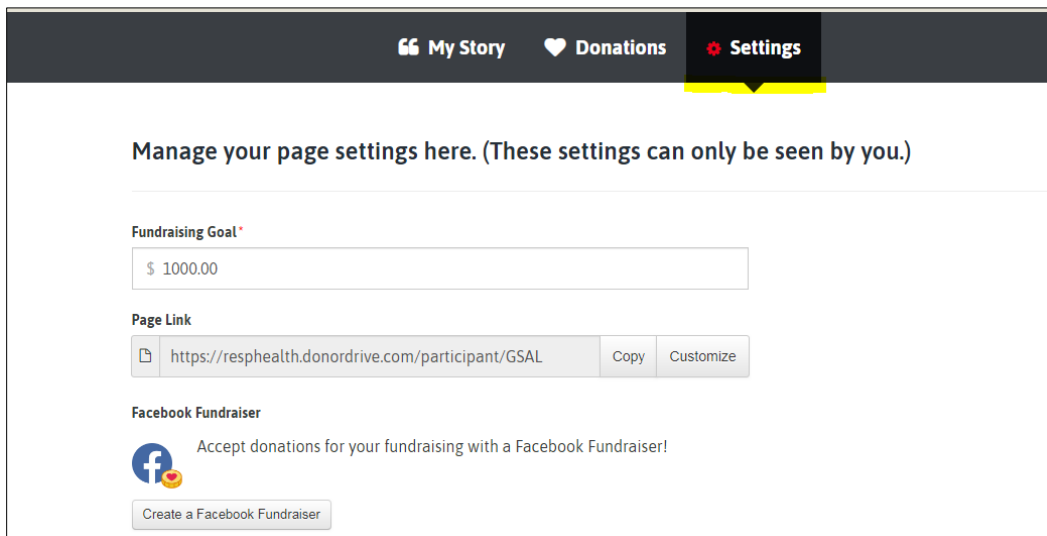

You can edit and customize any of the areas with the pencil icon.

Thank you for visiting my fundraising page! I am participating in the Lung Power Team to support Respiratory Health Association 

You can also view donations, edit settings and copy or customize your fundraising page link.

Fundraising on Social Media

You can use social media to fundraise. Keep reading to find out how!

How to copy and paste your fundraising link

Create a new post/tweet and type in your message.

Copy and paste your fundraising link

(You can copy your link from your account or directly from your page)

Click post or tweet.

*For Instagram: consider adding your link to your bio.

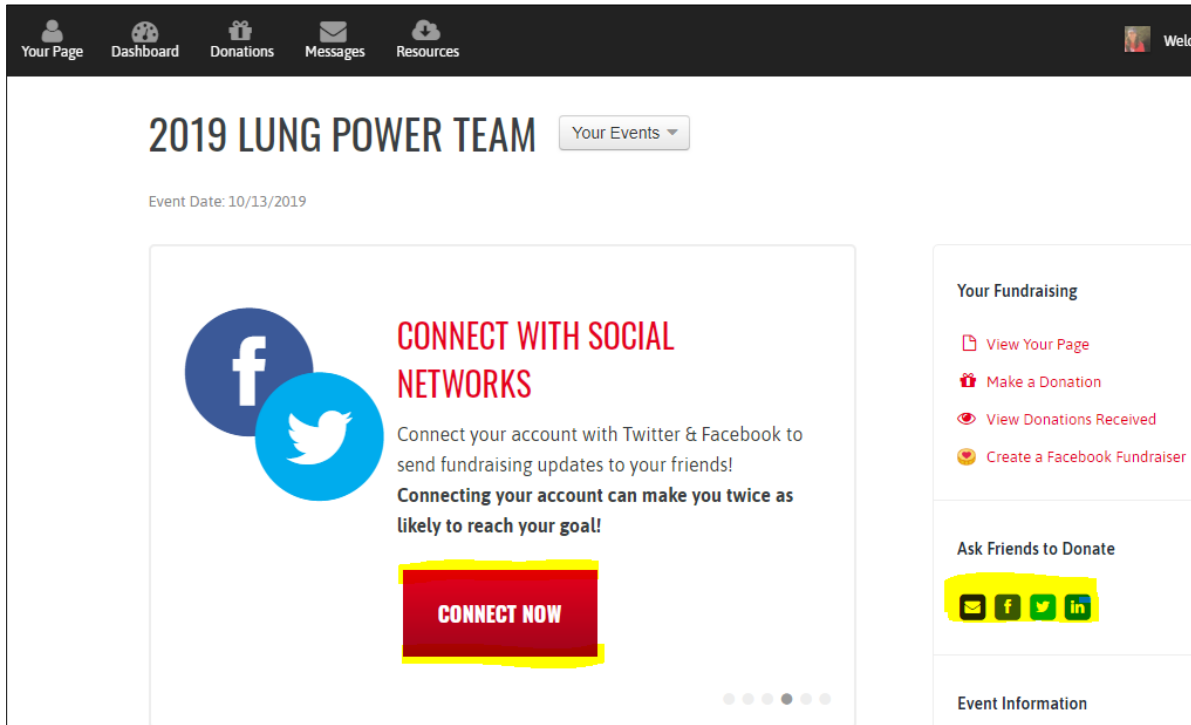

By clicking on your post, donors will be led to your fundraising page!

Successful donation transactions will immediately appear in your fundraising total.

Connect to Facebook or Twitter

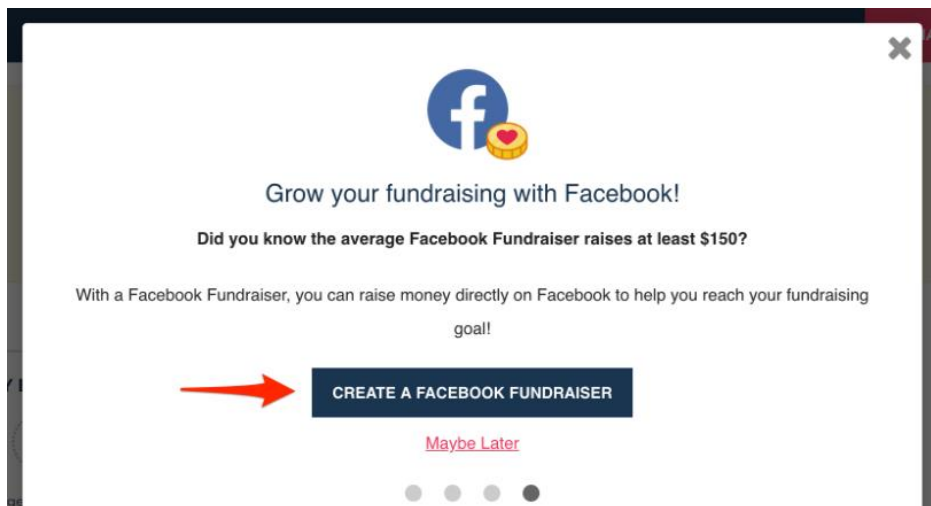

From your dashboard, choose to connect to your DonorDrive account to Facebook or Twitter to easily message out to your social media network!

Facebook Fundraisers: During Registration

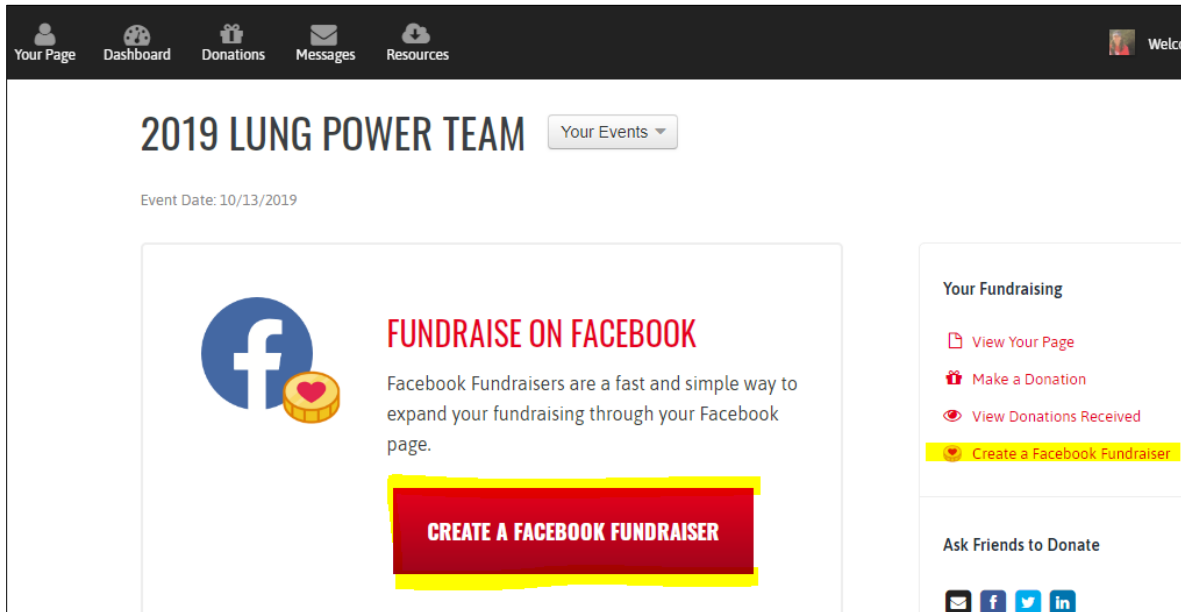

With DonorDrive, you'll be able to use Facebook Fundraisers to help you reach your goal! During registration, you'll be asked if you want to create a Facebook Fundraiser.

If you want to create one at a later time, select Maybe Later.

Facebook Fundraisers: After Registration

When logged in, select Dashboard
Select your event (if you're registered for more than 1 RHA event)
Select Create a Facebook Fundraiser

The screenshot shows the Facebook Fundraiser dashboard for the "2019 LUNG POWER TEAM" event. The event date is 10/13/2019. The main content area features a Facebook logo and a gold coin icon with a heart, followed by the heading "FUNDRAISE ON FACEBOOK". Below this, it states: "Facebook Fundraisers are a fast and simple way to expand your fundraising through your Facebook page." A prominent red button with a yellow border says "CREATE A FACEBOOK FUNDRAISER". To the right, under "Your Fundraising", there are links for "View Your Page", "Make a Donation", "View Donations Received", and "Create a Facebook Fundraiser" (which is highlighted in yellow). Below that is the "Ask Friends to Donate" section with social media icons for Facebook, Twitter, and LinkedIn.

A pop message will appear. Select Create a Facebook Fundraiser.

The screenshot shows a pop message with a Facebook logo and a gold coin icon with a heart. The text reads: "GROW YOUR FUNDRAISING WITH FACEBOOK!". Below this, it asks: "Did you know the average Facebook Fundraiser raises at least \$150?". The message continues: "With a Facebook Fundraiser, you can raise money directly on Facebook to help you reach your fundraising goal!". At the bottom, there are two buttons: "CREATE A FACEBOOK FUNDRAISER" and "Maybe Later".

Once you log in to Facebook and authorize, your Facebook Fundraiser will be created!

Please note: If you start a Facebook Fundraiser outside of your DonorDrive account, donations will not be synced to your fundraising page. If you use the “Add a donate button” feature, donations will also not sync to your fundraising page and are harder to track. Funds through Facebook could take a month or more to reach RHA.
