Dear Team Captains,

Thank you for you and your family's generous support of Miracle Walk, an annual walk-a-thon benefiting the Neonatal Intensive Care Unit (NICU) at Cooperman Barnabas Medical Center. Miracle Walk supports our state-of-the-art NICU in which the very best and most compassionate care is provided to more than 1,100 babies cared for annually. Miracle Walk has raised more than \$6.8 million dollars for the NICU over the past 20 years. You are an integral part of Miracle Walk, and we hope you are as excited as we are for this year's Walk!

Your commitment as Team Captain is the first step to ensuring the success of Miracle Walk. This kit is designed to provide you with the tools to make your team's experience fun, successful and rewarding. A Team Captain's role is to motivate and encourage others to join their team and promote Miracle Walk, whether it's with co-workers, friends, neighbors or family. The Team Captain kit will walk you through the steps of forming and recruiting your team, ramping up your fundraising efforts and enjoying your day at Miracle Walk.

We want to arm you with a few tools as well so you will find fundraising tips to share with your team members!

Take the first step today and read on!

The Miracle Walk Committee
