

Openings now available for our special needs cheer team!

TNT Tumble, Cheer, and Dance is proud to announce openings for their Special Needs Cheer team, the Sparklers! This team focuses on developing your child's motor skills while learning how to work together as a team. Children learn cooperation, compromise, communication, conversation, and safety skills. They will also be taught independence and appropriate behaviors in various activities and settings. All activities will be tailored to each child's needs. Coaches will also stress having fun, listening to instructions, safe play, working as a group, and good sportsmanship.

Our team performs at local cheer and dance competitions. These events are fun and exciting for the children and audience alike.

Our cheer team is open for all kids 3 to 16 with all types of special needs. This team is low cost and lots of fun! There will be no charge for practice times at TNT and no competition fees so the only cost will be a minimal uniform cost. TNT offers various ways to raise money to help offset this cost through the TNT Booster Club. Feel free to contact them at TNTBoosters@gmail.com for more booster information.

During our practices we cheer, dance, tumble and have lots of fun. We customize practices for each child's capability. We practice on Tuesdays from 7-8pm.

If you would like to reserve your child's spot or need additional information please contact Amy Moore at TNT.Cheer@gmail.com or 513-677-3700. If you know of anyone who would have an interest in joining our team please feel free to pass along this flyer!!!
