RACE DAY CHECKLIST

RACE DAY MUST-HAVES
- Finisher medals
- Sign-in sheet and list of registrants
- Food and drinks (optional)
- Megaphone (optional)
- “I Sponsored” stickers
- Printed course maps (optional)
- Temporary bibs
- Decorations (optional)
- **Signage:** Sign-in area, Course signs, and Food/Water signs

GATHER YOUR RUNNERS
- Make sure they know to sign in and out. It’s a great way to keep track of everyone and keep them safe.
- Take a group photo and post it with #6KForWater

EXPLAIN THE ROUTE
- Explain whether you’re using an “out and back” route or one big loop. Tell participants the course is marked.

GIVE AN INVITATION
- Invite everyone, even non-church members to attend service the next day to celebrate and be recognized for the 6K.

YOUR IMPACT
- Thank everyone for coming and announce how many lives were changed through your 6K.
- Tell everyone to look down at the child on their bib. Remind them that this is a real child with a future who now has hope and opportunity to pursue fullness of life.

CONTINUE THE RELATIONSHIP
- Explain that everyone can sponsor the child on their bib! Child sponsorship is an incredible way to extend the impact of the 6K. It turns a participant’s one-way relationship into a two-way relationship that lasts.
  
  You become an active partner in ensuring that your child grows up healthy and achieves their dreams. You get to know their hobbies, their family, and their progress in school. You get to write letters and invite them into your life.

CELEBRATE!
- Ideally you (as the leader) will run your 6K earlier in the day so you can celebrate everyone at the finish line. Make sure you cheer, high five, and thank everyone who participated!
