

Dear Friend,

Please join my team, _____, in the fight against Parkinson's disease through your support of the 2018 Sunflower Rev It Up for Parkinson's! **Walk, run, ride or donate** in honor of _____ and you will be a part of these great things happening at the Gardner Center for Parkinson's Disease and Movement Disorders at the University of Cincinnati Gardner Neuroscience Institute:

- The Gardner Center hosts the annual Sunflower Rev It Up Symposium: free to patients, families and care-partners! August 11, 2018 Oasis Conference Center.
- In 2017, Rev It Up raised more than \$215,000 and had a record breaking 827 people attend!
- Last year, Step Up Campaign was launched. This campaign is to encourage the heroes of our teams to "Step Out" and tell their stories. One of the biggest barriers to raising money for Parkinson's causes is that a lot of people don't realize that they have a friend or relative challenged with the disease and may not feel a connection to the cause.

Event Details;

Sunday, September 9, 2018
