Hello Friend!

The Unicorn Children's Foundation is pleased to announce this season's lineup of events! We are anticipating hundreds of attendees representing a cross-section of South Florida's community leaders, business professionals, and philanthropists.

**We humbly request that you consider donating an item for one or all of our upcoming events, to be included in our chance drawing or silent auction.**

Mad Hatter's Luncheon – February 4, 2017 -- *Indian Creek Country Club*

The Unicorn Ball – March 11, 2017 -- *Boca West Country Club*

The Unicorn Children's Foundation is a 501 (c)(3) not-for-profit organization providing education, awareness and funding opportunities to organizations for special needs children in an effort to help them excel in the community. For millions of special needs children with developmental, communication and learning challenges, finding a cure is like chasing a rainbow in that a cure remains elusive. The Unicorn Children's Foundation is expanding the collective special needs community to help acknowledge, celebrate and integrate the special qualities possessed by neurodiverse children with Autism, ADHD, Bipolar, Asperger's, Dyslexia and other learning disorders.

**It is only with the generosity of businesses and people like you** that we are able to make an impact on the lives and communities of those affected by these challenges. Your contribution will be publicly championed, and listed in our marketing and printed materials for each event. Please complete and return the attached commitment form describing your donation.

Thank you so much for considering this request! Please do not hesitate to reach out should you have any questions or wish to discuss this opportunity further.

Warm Regards,

*Amy Mann*
