## Frequently Asked Questions

### What are the team guidelines?

- All funds must be received by Sunday, July 25, 2021 to be counted towards award designations.
- Team captains will have a 48-hour window to determine if any new rider(s) signed up on their team should stay on their roster. Team captains do receive automated emails when someone joins their team. To discuss team rosters at any time please contact Kedrin Gall at [kgall@michigan.wish.org](mailto:kgall@michigan.wish.org).
- Upon initial registration of your team, team captains need to pick their team size category based on how many riders you want/think you'll have for the tour. However, team rosters will be monitored and teams will be moved into the appropriate size category.
- Once team captains have given permission for a teammate to join the team they will not be dropped from the roster.
- Team captains can authorize funds to be transferred from the general team account but to uphold donor intent funds transferred from one rider to another will only be allowed to happen if the donor contacts the Foundation to give permission.
- Volunteers are welcome to be a part of team rosters and will count towards a spot on your team. Volunteers do not have a required minimum fundraising amount, although fundraising is encouraged.
- Virtual WAM Jr. participants can be added to team rosters or they can be encouraged to set up their own virtual junior team.
