Frequently Asked Questions

What is the registration fee and is it considered a donation?

The WAM 300 rider registration fee is as follows:

- October 1 through November 4: Free registration for anyone
- November 5 through December 31 (early bird special): \$75.00
- January 1 through July 28: \$95.00
- Day-Of Registration: \$115.00

This fee is not a donation, not tax deductible and does not count towards your required fundraising minimum of \$1,200.00. All registration fees and donations are non-refundable and registration fees are non-transferable.

What if I do not raise the required minimum of \$1,200 for the WAM 300 tour?

This amount is a requirement for all WAM 300 riders. WAM is a fundraising event for Make-A-Wish Michigan. Its sole purpose is to raise funds to grant wishes to medically eligible children in Michigan while having an incredible tour experience. If you arrive to rider check-in without this minimum amount, you will be asked to make a donation for the remaining balance in order to ride. If you are not able to provide this and have raised the minimum for the other routes, you may participate in our one-day WAM 50 mile ride. If your donation total is under \$500, you will not be able to participate. Due to event costs and to ensure fairness and consistency to all participants, we thank you in advance for your compliance. Each rider must have the appropriate minimum fundraising amount on their individual page to participate and not just averaged among the team.

Where do I mail in checks?

Make-A-Wish Michigan
Attn: WAM

Frequently Asked Questions

Jr. participants). Virtual participants are encouraged to raise \$500.

- The total amount raised by the team collectively and averaged out for minimum fundraising requirements does not qualify.
- Team captains will have a 48 hour window to determine if any new rider(s) signed up on their team should stay on their roster. Team captains do receive automated emails when someone joins their team. To discuss team rosters at any time, please contact Hannah Bentley at hbentley@michigan.wish.org.
- Upon initial registration of your team, team captains need to pick their team size category based on how many riders you think you'll have for the tour. However, team rosters will be monitored and teams will be moved into the appropriate size category during the year.
- Once team captains have given permission for a teammate to join the team they will not be dropped from the roster. If they are unable to ride, their status will change to virtual rider and their fundraising money will count towards your team.
- Team captains can authorize funds to be transferred from the general team account. To uphold donor intent, funds transferred from one rider to another will only be allowed to happen if the donor contacts the Foundation to give permission.
- It is the responsibility of the solicitor to notify the donor of the transfer of funds to another rider.
- Volunteers are welcome to be a part of team rosters and will count towards a spot on your team. Volunteers do not have a required minimum fundraising amount, although fundraising is encouraged.
- WAM Jr. participants can be added to team rosters or they can be encouraged to set up their own team.

What fundraising awards are awarded?

The top fundraising team in each category will be honored with a team trophy. Teams may display their trophy proudly throughout the year's fundraisers, family events and other team gatherings. Teams are determined by number of members and can include participants registered as WAM 300 riders, WAM 50 riders, crew volunteers, junior riders or virtual participants. Awards are also given to the top individual riders for the 300, 50 and Jr. as well as the top virtual fundraiser. All funds must be received by noon on Saturday, July 30, 2022, to be counted for award designations.

When should I wear the 2022 tour jersey?

All WAM 300 riders will receive a WAM tour event jersey at rider check-in. We suggest you plan to wear this jersey Saturday of the tour. Here is what we suggest for each day:

Friday*: wear a "retro" WAM tour jersey from a previous year

Saturday: wear the 2022 WAM jersey

Sunday: wear your own designed team or individual jersey

Make-A-Wish Michigan appreciates that all riders participate with the common goal of the united WAM team - to support our mission of creating life-changing wishes for children with critical illnesses. The above schedule is a suggestion based on feedback from riders in order to be visible by family and friends, as well as other teammates, at the finish-line celebration on Sunday.

*Former WAM jerseys will be available to purchase at the WAM store during rider check-in on Thursday, July 28, 2022 (starting location only - not in Traverse City).
