

EMERGENCY RESPONSE: YOUR CHURCH CAN HELP

World Vision Disaster Relief Fund

Dear Pastor,

Jesus calls us to take on the greatest needs of our day. But we can't do it without your church! Your church is uniquely positioned to serve together with us on the front lines through your fervent prayers and a one-time gift.

Help provide emergency relief supplies by taking a special offering with your congregation this weekend for the World Vision Disaster Relief Fund. Your contribution will help us get supplies to the most vulnerable. Thank you for serving together in changing the world.

Richard Stearns
President, World Vision, U.S.

I will take refuge in the shadow of your wings until the disaster has passed.

—Psalm 57:1 (NIV)

Your church can help prepare against disaster. In the wake of a crisis, it is the children who suffer most. World Vision is often one of the first organizations to begin relief work after a disaster, and we remain on the ground for the long haul, rebuilding communities and restoring hope.

How your church can help:

- Pray for the safety of children and families affected by disaster
- Give a one-time gift to help provide emergency relief supplies including shelter, water food, and more to the most vulnerable.
