

# 30 Hour Famine

# Pledge Form

Thank you to everyone who registered and donated online last year. The online registration system is less hassle than collecting cash, doing endless hours of paper work, and helps us save 50% in paper and processing costs. This means we are able to give more resources to fight hunger. A contributor to Famine is drought, drought is linked to climate change, climate change comes from waste and pollution...we're breaking the cycle by going green!
