

30 HOUR FAMINE

THANK YOU

**for going without food so
others don't have to.**

It's not easy to go without food for 30 hours—you probably got pretty hangry at times! But by doing the 30 Hour Famine and raising money, you helped fill kids' bellies with food so they can fill their futures with hope. And it gives us all a better picture of God's kingdom coming here on earth. Thanks for **empowering these kids and their communities in Jesus' name!**
